

✍️ Colora le figure piane come nel modello, ritagliale e ricomponi il paesaggio. Disegna la coda dell'aquilone con una linea curva aperta.

✍️ Conta le figure e scrivi quanti sono i rombi, i cerchi, i triangoli, i rettangoli e i quadrati.

Scheda per l'insegnate: visualizzare su LIM o stampare a colori e appendere in modo ben visibile.
